

Wouldn't Someone You Know Like to.....

Miss Moo enjoyed her trip to Brethren Woods last Spring. She has missed the affection of her many admirers, so she is planning to be at the Spring Festival again on April 29th. She has been saving kisses for a year and is ready to plant one on someone you nominate, elect, or just plain rope into doing it. If you or your congregation are able to raise \$100.00 or more, Miss Moo will be happy to pucker up and at least drool on your nominee. A picture of the prettiest heifer in the county and the lucky rascal whose congregation raises the most money will go in the next camp newsletter. The kissing festivities will take place at the Spring Festival on April 29 at 11:00 a.m. The auction will begin as soon as Miss Moo slobbers on the last victim.....um... I mean participant. All the funds raised will go to support Brethren Woods Outdoor Ministries. If you have any questions about what lipstick to wear, or any other detail, call Doug at the camp office at 540-269-2741.
