# Biblical Geocaching & Dutch Oven Cooking

Join us for an afternoon and evening of Biblical exploration and delicious campfire cooking! Using GPS devices, participants will explore Brethren Woods looking for Biblical verses that we will dive into together as we search for the treasure of the Kingdom! Afterwards, join us to learn how to cook dinner in a dutch oven.

## September 29th, 2018

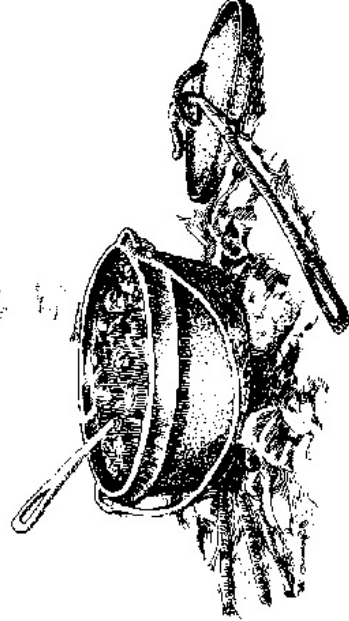

**Geocaching will begin at 2:00pm, with Dutch Oven Cooking to follow at 4:00pm. Cost to attend is \$10.**

**Geocaching** is a real-world, outdoor treasure hunting game using GPS-enabled devices. Participants navigate to a specific set of GPS coordinates and then attempt to find the geocache (container) hidden at that location.

**Caches** will be hidden around Brethren Woods with specified GPS coordinates provided. Follow the coordinates and hunt around Brethren Woods with a team to find them all!

**Dutch Oven** cooking is a great opportunity to cook campfire food with friends! Camp staff will share about proper care of Dutch Oven cooking ware, provide recipes, and lead in meal preparation. Everyone will have a chance to pitch and contribute to preparing some delicious dishes! We'll conclude our time with some good food and campfire worship!
