Are you ready to plan the best week of 2024?

We have a lot of really fun things planned this year, including adventures, swimming, hiking, crafts, nature, Bible study, singing, playing games, resting, eating and much more!

In addition to spending a lot of time outside, we will be talking about how we are Linked by Love. We will discover how the love of God binds us together in a way that is special and unique.

We hope to see you at camp this year!
